The index of music libraries is published in collaboration with the Editorial Committee of the International Association of Music Libraries (<u>IAML</u>).

The special volume RISM-Bibliothekssigel-Gesamtverzeichnis (RISM library . Complete index), published in 1999, has been available since 2006 in a regularly updated version on the <u>RISM</u> (Répértoire International des Sources Musicales).

A PDF of the RISM catalogne can be downloaded at this address.
